## **SMART STRATEGY:**

Make a Shopping List with Meals in Mind

- Think about how many meals you'll eat at home this week and how long before your next shopping trip.
- Next to fresh items on the list, note the quantity you need or number of meals you're buying for.
- Shop your kitchen first and note items you already have.

| FOOD ITEM                               | AMOUNT NEEDED    | ALREADY HAVE                            |
|---|------------------|---|
| Salad greens                            | Lunch for a week | Enough for one lunch                    |
| 2% milk                                 | Gallon           | None                                    |
|   |                  |   |
|   |                  |   |
| •••••••                                 |                  |   |
| ••••••                                  |                  | , |
| • |                  |   |
|   |                  |   |
| •••••                                   |                  | ,                                       |
| ••••••                                  |                  | ,                                       |
| ••••••                                  |                  | ,                                       |
| • |                  |   |
| ••••••                                  |                  | ,                                       |
|   |                  |   |
